ARTICLE

ARTICLE II

Shall the Town of Brattleboro adopt the following advisory resolution?

WHEREAS extreme and erratic temperatures, increasingly severe storms, a rise in tick-borne diseases, and threats to farmers and maple sugar makers clearly demonstrate that climate change is one of the most urgent problems facing our state, nation, and the world, and

WHEREAS the State of Vermont has a goal in the Comprehensive Energy Plan to achieve 90% of its energy from renewable sources by 2050, yet is making insufficient progress towards achieving that goal;

Now, therefore, be it resolved:

1. That, the undersigned registered voters of the Town urge the State of Vermont to:
 - a. Halt any new or expanded fossil fuel infrastructure, including, but not limited to, oil or gas pipelines;
 - b. Firmly commit to at least 90% renewable energy by 2050 for all people in Vermont, with firm interim deadlines; and,
 - c. Ensure that the transition to renewable energy is fair and equitable for all residents, with no harm to low-income people, people of color, or rural communities.
2. That, the undersigned voters of the Town ask that the Town do its part by committing to efforts such as, but not limited to:
 - a. Protecting town lands from future fossil fuel infrastructure, denying easements or agreements for any oil or gas pipelines crossing town lands;
 - b. Weatherizing town buildings and schools to make them as energy efficient as possible;
 - c. Installing roof-top solar on town and school buildings, where it is appropriate to do so;
 - d. Phasing out the use of fossil fuels to heat town buildings;
 - e. Creating infrastructure to support low carbon forms of transport, including biking and walking;
 - f. Using 100% renewable energy in new and renovated town buildings;
 - g. Phasing out fossil fuel powered Town vehicles and replacing them with renewable energy powered vehicles.

YES NO

And in furtherance of this resolution let the town clerk send copies of it with a record of the voting and certified with the official seal of the town to the governor, the lieutenant governor, and the senators and representatives in the Vermont legislature.
